- Open flat surfaces
- Cobwebs removed
- Door frames/indents
- Picture frames
- Headboards
- Lamp shades

✓ Shelving option of your choice:

- 1) *The FULL dust: we remove all items, dust shelving, and replace items.*
- 2) *The QUICK dust: we dust what is readily available, moving items as is convenient, or simply dusting around them.*
- 3) *The NO dust: you can probably guess! We skip dusting on shelves completely if it's not a priority to you.*

**We do not remove books from shelves, no matter what dusting option you choose.*

What are "Add-ons"?

Our "general clean" covers the majority of needs, but there may be additional tasks you'd like completed on a first clean, seasonally, or on an on-going basis.

These would be considered "add-ons" and it simply adds time to the visit at our hourly rate.

You may request add-ons at the consultation or in the future via email. We just ask that you give us a few days advanced notice.
